Memorandum of Agreement

ResolveIT: Web-Based Ticketing Management System

Date: June 29, 2026

I. PARTIES TO THIS AGREEMENT

This Memorandum of Agreement (hereinafter referred to as the "MOA" or "Agreement") is entered into by and between:

FRONTLINE BUSINESS SOLUTIONS INC.

A corporation duly organized and existing under the laws of the Philippines, with principal offices at Purok 1, Sitio Baloc, Baloc Road. Brgy. San Ignacio, San pablo City Laguna 4000, hereinafter referred to as the "Company" or "Client";

AND

THE RESOLVEIT CAPSTONE PROJECT TEAM

A team of developers composed of the undersigned members, hereinafter collectively referred to as the "Development Team" or "Team";

II. RECITALS

WHEREAS, the Company requires an efficient, centralized, and web-based system to manage and track internal support tickets and technical requests;

WHEREAS, the Development Team has agreed to design, develop, test, and deploy ResolveIT — a Web-Based Ticketing Management System — as a project in fulfillment of academic requirements;

WHEREAS, both parties recognize the mutual benefit of formalizing this collaboration through a written agreement that outlines their respective roles, responsibilities, and obligations;

NOW, THEREFORE, in consideration of the mutual covenants and commitments set forth herein, the parties agree as follows:

III. PURPOSE AND SCOPE

3.1 Purpose

This Agreement establishes the terms and conditions governing the collaboration between the Company and the Development Team for the design, development, and delivery of ResolveIT: a Web-Based Ticketing Management System.

3.2 Scope of Work

The Development Team shall undertake the following deliverables within the agreed project timeline:

- System requirements gathering and analysis
- UI/UX design and front-end development
- Back-end development and database architecture
- Integration and system testing
- User acceptance testing (UAT) with Company representatives
- Deployment to a Company-approved hosting environment
- Technical documentation and user manual
- Post-deployment support for a period of [30] days after launch

IV. ROLES AND RESPONSIBILITIES

4.1 Frontline Business Solutions Inc. (Company)

The Company shall:

- Provide clear and timely system requirements and feedback
- Designate a Company liaison to facilitate communication with the Development Team
- Supply access to internal workflows and process documentation relevant to the project
- Participate in scheduled review meetings and UAT sessions
- Provide the hosting environment or credentials for deployment, if applicable
- Issue a Certificate of Completion upon successful delivery of the project

4.2 Development Team

The Development Team shall:

- Design and develop the ResolveIT system in accordance with agreed specifications
- Adhere to the project timeline and Gantt chart milestones
- Provide regular progress updates to the Company liaison
- Conduct thorough testing prior to system delivery
- Produce complete technical and user documentation
- Promptly address reasonable change requests within agreed scope

4.3 Team Member Assignments

The following team members comprise the Development Team with their respective responsibilities:

Phase 3	Testing & UAT	To be determined by parties
Phase 4	Deployment & Handover	To be determined by parties

Both parties agree to mutually finalize and confirm specific dates upon execution of this Agreement.

VI. INTELLECTUAL PROPERTY

All deliverables produced under this Agreement, including but not limited to source code, design assets, documentation, and system configurations, shall be the exclusive intellectual property of Frontline Business Solutions Inc. upon final delivery and acceptance.

The Development Team retains the right to reference ResolveIT as a portfolio project for academic and professional purposes, provided no proprietary or confidential information of the Company is disclosed.

VII. CONFIDENTIALITY

Both parties agree to maintain strict confidentiality regarding any proprietary information, business processes, internal data, or trade secrets disclosed during the course of this project. This obligation shall survive the termination or expiration of this Agreement.

VIII. AMENDMENTS AND MODIFICATIONS

Any changes to the scope, timeline, or terms of this Agreement shall be made in writing and duly signed by authorized representatives of both parties. Verbal agreements shall not be binding unless formalized through a written amendment.

IX. TERMINATION

Either party may terminate this Agreement upon thirty (30) days written notice to the other party. In the event of termination, the Development Team shall deliver all completed work and documentation to the Company as of the termination date, and the Company shall acknowledge receipt of such deliverables.

X. EFFECTIVITY

This Agreement shall take effect upon the date of signing by authorized representatives of both parties and shall remain in force until the successful completion and final acceptance of the ResolveIT project, including the post-deployment support period.
