OFFICE OF THE DEAN

Dear Sir/Madam:

I would like to present our on-the-job training program with the hope of becoming your industry partner in enhancing the knowledge and skills of students in the fields of information technology and accounting.

Frontline Business Solutions, Inc., located in Brgy. San Ignacio, San Pablo City, Laguna, is committed to excellence and conducting business for the greater good. We offer professional services and solutions across a wide range of areas, including web design and development, accounting and bookkeeping, virtual assistance, and skills development.

With our expertise in the fields of accountancy and information technology, we have much to offer. We can provide students not only with exposure and skills through real-life job assignments but also integrate them into a working environment that fosters the development and reinforcement of appropriate attitudes and values for their future careers. We also believe that strong and dynamic partnerships between schools and the target industry are vital strategic factors in our pursuit of economic and technological development for our country.

In order to provide our students with the quality education they deserve, our challenge is to offer the support necessary for them to become truly skilled and competitive in their chosen fields. Our on-the-job training program involves a reasonable association fee of twenty pesos (PHP 20.00) per hour for online (work-from-home) setups and twenty-seven pesos (PHP 27.00) per hour for face-to-face setups. This fee is in exchange for the practical work experience they will gain in our business operations, working with international clients and meeting company standards. It covers the resources that students will use until they complete the required number of hours.

We both aspire for our students to achieve their fullest potential upon graduation. This goal can be even more effectively realized through our partnership, which extends additional support to meet the specific curriculum requirements of our students. As a partner company, we are committed to providing the targeted skills outlined in our Memorandum of Agreement (MOA) – please refer to the attached sample MOA.

Through the collaborative efforts of the school and industry partners like Frontline Business Solutions, Inc., we believe we can offer the best educational development and a solid foundation for our students' futures. This will further enhance the reputation, competitiveness, and recommendations of our schools throughout the region.

Once again, thank you for the opportunity to offer this proposal. We eagerly anticipate pursuing this partnership and are excited about the positive impact it can have on our students' educational journey. For any inquiries, please feel free to contact the undersigned, at (049) 501 3592 or (+63) 927 168 6810. You can also reach us via email at and jhonny.dichoso@frontlinebusiness.com.ph.

Sincerely yours,

Mr. Jhonny Jose E. Dichoso, MIT
Head, Learning Center Solutions &
Supervisor, Web Development

Company Profile

Excellence in **Managed Services** and **Web Solutions**

FBS meets the needs of clients through recruiting and managing professionals who serve in a wide array of areas like bookkeeping and accounting, virtual assistant

FBS On-the-Job Training Program FAQs

Our team comprises IT specialists and accounting professionals who are ready to share their skills and industry experience with students and trainees participating in internships and immersion programs with our company. Trainees will have the opportunity to work on real-life project management and development tasks, closely engaging with our team to experience a corporate working environment. In addition to the technical skills and techniques students and trainees can acquire from our team, we also provide personal leadership training. This training addresses issues related to self-governance and personal leadership, including principles that strengthen core values and attitudes. It prepares individuals not only for the professional aspect of work but also for different facets of life.

What are the interns' courses do you accept for your OJT program?

We accept students taking computer-related courses (e.g. BS Computer Science, BS Information Technology, BS Computer Engineering) and accounting-related courses (eg. BS Accountancy, BS Finance and the like).

COLLEGE ON-THE-JOB TRAINING MEMORANDUM OF AGREEMENT

This **AGREEMENT** made and entered into this _____ by and between:

FRONTLINE BUSINESS SOLUTIONS, INC., an I.T. company duly organized and existing under the laws of the Philippines, with principal business address at Baloc Road, Brgy. San Ignacio, San Pablo City, Laguna, Philippines, represented in this act by its Operations Manager, **MR. RALPH ACOBA**, hereinafter referred to as the **"INDUSTRY PARTNER"**;

-and-

College Dean
[Name of School]

_____, an educational institution duly organized and existing under Philippine Laws, with principal office address at _____, represented in this act by its Department Dean, _____, hereinafter referred to as the **"SCHOOL"**;

The Industry Partner, the School, and the Trainee shall hereafter be collectively known as the **"PARTIES"**.

WITNESSETH that:

WHEREAS, the Industry Partner has an existing internship program (hereinafter referred to as the "PROGRAM") for college students as part of their corporate social responsibility;

MR. JHONNY JOSE DICHOSO
Head, Learning Center Solutions
Frontline Business Solutions, Inc.

WHEREAS, the Industry Partner is committed to support and to assist schools in producing useful San Pablo youth who are equipped with the necessary target skills acquired from actual workplace setting and therefore is willing to accept trainees in order to complement and augment their formal training in the field of Information Technology (Graphics Designing, Website Mockup Designing, Frontend Development, Mobile Responsive Designing, CSS & HTML Programming, Web Content Designing, SASS, Tailwind CSS, and WordPress Development) and Accounting (Journal Entry, Ledger Posting, Bank Reconciliation, Trial Balance Reporting, US-Payroll Management, Financial Statements & Reports, Cloud Accounting, QuickBooks, Advance Excel).

MR. RALPH ACOBA
Operations Manager
Frontline Business Solutions, Inc.

WHEREAS, the Industry Partner would also like to integrate the trainee in a working environment that helps to develop or strengthen appropriate attitudes and values for work through Personal Leadership Effectiveness training which deals with issues related to self-government or personal leadership including how to be principle driven and how to be more effective and efficient.

WHEREAS, the School has an existing curriculum for immersion, and wishes to enroll the Student in the PROGRAM of the Industry Partner;

WHEREAS, the TRAINEE has agreed to be placed under the PROGRAM of the Industry Partner, and has passed the admission process conducted by the Industry Partner;

NOW THEREFORE, in view of the foregoing premises, the parties hereby agree and covenant as hereinafter set forth:

	Coordinator [Name of School]	1. The Industry Partner shall: a. designate a Program Coordinator who will coordinate with School the various activities under the program; b. ensure a safe and conducive working environment to the trainee; c. ensure that trainee undergoes training related to their course and provide them with work or activities that are varied and challenging for their holistic development; d. make sure that the trainee is properly oriented about the Industry Partner and about the nature and demands of the job; e. not expose the trainee to hazardous activities; and f. issue certificate of completion and accomplish necessary completion/grade reports at the end of the Program. 2. The School shall: a. assign coordinator with whom the Industry Partner can discuss any pertinent issues concerning the trainee and the Program; b. provide the Industry Partner the names of Trainees, properly screened and selected, who will undergo training; c. see to it, through the assigned coordinator, that the Trainee complete the agreed scope of work within the agreed duration of the program. d. ensure that all information (technology, quality assurance, operations, processes, etc.) that the Industry Partner shall make available to the Trainee shall be used for the sole purpose of the training and shall in no way be transferred to anyone outside the training place; e. make it clear to the Trainee that they are not entitled to any benefit or honorarium while undergoing the training. f. ensure that the Trainee will comply with all the rules and regulations of the Industry Partner;
	College Dean [Name of School]	
MR. JHONNY JOSE DICHOSO Head, Learning Center Solutions Frontline Business Solutions, Inc.		3. The Trainee shall: a. perform tasks and activities assigned to him by the Industry Partner in the positions assigned to him; b. not at any time or in any manner, either directly or indirectly, divulge, disclose or communicate to any person, firm or corporation or use to the prejudice of the Industry Partner, any information affecting or relating to the business of the Industry Partner, its manner of operation, its plans or other data which was disclosed to or acquired by the Trainee in the course of the Program, except when such disclosure is required by law or order of a court with competent jurisdiction. Except in the performance of tasks under Program, the Trainee is prohibited to make or cause to be made any copies, pictures, duplicates, facsimiles or other reproductions or recordings or any abstracts or summaries of any reports, studies, memoranda, correspondence, manuals, records, receipts, plans, or any other computer information and product of any kind belonging to or in the possession of Industry Partner. c. strictly adhere to the rules and regulations of the Industry Partner;
MR. RALPH ACOBA Operations Manager Frontline Business Solutions, Inc.		4. For and in consideration of the affiliation and training of its Trainee under this contract, every Trainee shall pay the Industry Partner an Association Fee in the amount P20.00 PER HOUR FOR ONLINE OJT SETUP and P27.00 PER HOUR FOR FACE-TO-FACE OJT SETUP multiplied to the total number of hours required for the Trainee's training duration to be billed before the start of his/her training proper. The Association Fee shall be apportioned for procurement and use of company's supplies, technological tools, materials, and equipment as well as the company's program coordinator remuneration. 5. Trainee will be accommodated by the Industry Partner from 7:00am to 4:00pm during weekdays (Monday to Friday). 6. The Trainee is fully aware and hereby confirms that in the event of accident, industrial accident, calamity, or unforeseen tragedy, sickness, illness or death while on work, as long as the foregoing did not arise by reason of the fault or gross negligence of the Industry Partner, the Trainee shall have no claim or demand of whatsoever kind and nature against the Industry Partner, being not its employee.

7. The Trainee hereby forever waives and releases the Industry Partner from any civil and criminal liability in case of death or sickness, aggravated or potentially aggravated by the training program, including any accident that may happen in the course of the on-the-job training, provided that the main cause of death, sickness or accident is not the fault or gross negligence of the Industry Partner. Thus, the Industry Partner shall not incur any criminal or civil liability on account thereof.

Coordinator
[Name of School]

8. The Industry Partner may cancel or rescind this contract immediately, by written notice, for any of the following reasons:
- Commission of a crime by the Trainee during the existence of this agreement;
 - Commission by the Trainee of violation of company rules and regulations, and industry practice; and
 - Violation by the Trainee of any of the terms of this agreement.
9. This agreement takes effect on _____ until _____, or until the required number of hours is complied with by the Trainee under the School curriculum.

IN WITNESSES WHEREOF, the parties hereto have signed these presents on this _____ day of _____ 2024 in San Pablo City, Philippines.
